INCHIOSTRI EPSON

Inchiostri ecosolventi EPSON UltraChrome™ GS

Inchiostri avanzati Epson per colori straordinari, brillanti e naturali. Il set di inchiostri Epson UltraChrome™ GS include l'arancione e il verde per darti una gamma cromatica più ampia, senza dimenticare la resistenza all'acqua e ai raggi UV. Avrai immagini di straordinaria qualità ed elevata stabilità con colori naturali e intensi, ricchi di rossi, verdi e blu saturi. Gli inchiostri UltraChrome™ GS sono praticamente inodori, non contengono Nichel e non diffondono composti volatili pericolosi.
