## INCHIOSTRI EPSON

### Inchiostri a pigmenti EPSON UltraChrome™

Gli inchiostri UltraChrome™ di Epson offrono una gamma colore estremamente ampia, una resa colore molto accurata, una maggiore delicatezza e gradazioni più omogenee. Sono perfetti per il fine art, il proofing e la stampa fotografica di qualità professionale.

## INCHIOSTRI EPSON

### Inchiestri ecosolventi EPSON UltraChrome™ GS

Inchiestri avanzati Epson per colori straordinari, brillanti e naturali. Il set di inchiestri Epson UltraChrome™ GS include l'arancione e il verde per darti una gamma cromatica più ampia, senza dimenticare la resistenza all'acqua e ai raggi UV. Avrai immagini di straordinaria qualità ed elevata stabilità con colori naturali e intensi, ricchi di rossi, verdi e blu saturi.

Gli inchiestri UltraChrome™ GS sono praticamente inodori, non contengono Nichel e non diffondono composti volatili pericolosi.
